ANNOUNCEMENTS

It is indeed a pleasure to extend to you a cordial invitation to attend our Second Shorthorn Cattle Sale. In presenting this offering it is the production of these herds that have been established since 1900 by C. M. Vandembark. While he is not actively engaged in the business at the present time, as his age will not permit, yet his interests are with his son and grandsons in Shorthorn Cattle. In beginning with two pure bred cows we found that they returned greater profit for feed produced on these farms than any other source of marketing and from that time on we have added good females from noted herds of families that have proven themselves producers of the right kind of cattle and with the consistent use of top sires we feel our herd was never stronger than at the present time. While they have been in higher condition of flesh, at no time have they been in a higher state of production.

These cattle will be offered in marketing condition and not in high flesh which should be in favor of the buyer.

We have a strong faith in the cattle which we offer as they have been bred on this farm and we are retaining females from every family offered in this sale.

We regret we do not have any older bulls in service at the present for your inspection as we have replaced them with younger ones, which was a difficult task as the three bulls that had been in service were outstanding in conformation and breeding. The past herd bulls were Edellyn Justright bred by Thomas E. Wilson, sired by the Grand Champion, Sultan Browndale and Damon Orange Blossom, bred by Maxwalton Farm. Goldspur Sultan, sired by Edellyn Goldspur, 2d. a Jr. Champion and sired by Browndale Captain and off of a Kalarama Breed Augusta dam.

We have faith in Shorthorn cattle as a business in the future years to come, due to the fact that it has been a profitable business for us the past 44 years.

We were backing up this statement when we purchased the three young herd sires pictured in this catalog, sired by the greatest sires of the breed, two grandsons of Imp. Callynie Royal Garage that heads the Russell herd of Canada and Leveldale Highlight sired by the Grand Champion,, Leveldale Farrray and his Dam, by the Grand Champion Sheik of Leveldale, bred by Mathers of Illinois. It is a pleasure to be associated in the sale with the firm of Wm. Earl Wilson and Son, as we have been associated with this firm from the time the herd was started a few years ago by securing a few top females from the leading herds of the state and using the service of our herd bulls.

Goldspur Sultan and Beechwood Rodney and following up by using a good son of Browndale Cupbearer bred by Dorsey Jones.

The Wilson's have proven their ability to produce the right kind of cattle by winning well up in their classes at the State Club show in 1943, also winning at the fat stock show in Chicago in 1943.

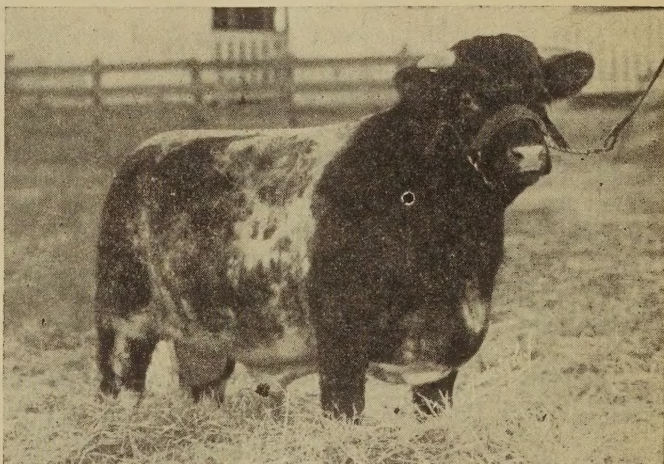

Their strong consignment should interest Shorthorn admirers in breeding and type and also give the buyer a chance to secure females bred to this great young bull. Broadfield's Prince sired by that perth Champion Calrossie Prince Peter, Broadfield's Prince is now in service in the Wm. Earl Wilson and sons herd.

We again request you to be present at our sale whether you are a buyer or not. We feel we have a class of cattle that will please.

C. M. Vandembark and Sons, Wm. Earl Wilson and Son: Owners

Leveldale Highlight

Level, smooth, short legs, beautiful head. He has lots of "flash" and is the kind you like better as you look him over. It would be hard to find a bull with five better top sires. His dam, a short-legged heavy milking daughter of Sheik, is worthy of such a son.

He is smooth of flesh and has a real head, also has that close coupled conformation and ruggedness that goes with a real herd bull. His sire, Calrossie Prince Peter, needs no introduction, everyone is acquainted with the progress he has made in the Miles of View and Merrivale herds. Broadfields Prince is a full brother to the bull, that Rosenbergs of Tiffin, Ohio purchased last year and is their junior herd sire and his dam is a great cow by Proud Archer and was the top of the Miles of View sale in 1942. This grand young bull heads the herd of Wm. Earl Wilson & Son. Females in their strong consignment are carrying the service of this son of Calrossie Prince Peter. Calves sired by this bull should work improvement in any breeders herd.
